

A Note from John R. Buran

President & Chief Executive Officer

March 31, 2021

I am truly horrified by the recent acts of violence against individuals within the Asian community.

Flushing Bank shares a long history and strong ties with the Asian community as several of our branches serve predominantly Asian markets. Many of our employees are Asian and we are genuinely concerned for the safety of our employees, their families, and the communities in which they live.

As a community bank, we are steadfast in our belief that we must stand up for one another and refuse to tolerate violence and racism in our society. We will continue our support of local organizations to ensure the safety and quality of life for all within our communities.

A handwritten signature in black ink, appearing to read "John", is positioned on the left side of the page. The signature is stylized with a large loop at the bottom and a vertical line extending upwards from the top of the "J".

Small enough to know you.
Large enough to help you.®
